Job Position: Mine Health & Safety Director

Location: Gouverneur, NY

Employer: Empire State Mines, a Titan Mining Corporation Company

Posted Date: February 2025

Empire State Mines is currently seeking a professional to fill the role of **Mine Health & Safety Director** at its underground Zinc operation. Located within 2-hour drive of The Thousand Islands, Lake Ontario shoreline, the Adirondack Mountains and world class skiing at Lake Placid. Explore Canada with Montreal and Ottawa only 2-3 hours away.

Responsibilities:

- Lead development of strong safety culture;
- Analyze indicators of Company's health and safety performance;
- Lead audits of processes and facilities within the underground and surface to ensure not only compliance with Empire State Mines' safety procedures, but also local, state, and federal requirements;
- Advise management team members on need and opportunity for performance improvements;
- Assist all team members in developing plans, policies, or procedures necessary to accomplish performance improvements;
- Conducts and leads risk management by performing hazard evaluations, risk assessments, and initiates corrective actions and controls for correction;
- Assist in completing incident investigations, determines risk levels, and evaluated root cause;
- Point of contact for MSHA and manages MSHA mine inspector visits and required documentation;
- Uses knowledge and experience of federal, state, and local laws and regulations of the industry to evaluate Company rules, policies, and procedures for adherence and to support a safe work environment;
- Communicate health and safety information and use knowledge and experience to address questions and concerns from employees, managers, and other stakeholders;
- Other reasonable duties as needed.

Qualifications:

- Minimum 5 years of experience in health and safety field, specific to underground mining preferred;
- Experience in leading the development of and maintaining a strong safety culture;
- Experience in training of techniques and systems of hazard recognition and control;
- Mine rescue experience;
- MSHA Blue Card IU/IS/MM unlimited certification preferred;
- Skill in written and verbal communication (in English), critical thinking, data analysis;
- Legally authorized to work in the US.

Salary Range: Contingent on experience and skills, \$80,000-\$110,000 annual base pay.

EMPIRE STATE MINES offers:

401K Retirement Plan including additional employer contribution of **5% of gross wages weekly.**

Excellus Medical plan with low employee contribution, **FREE** Vision, Dental, and Life Insurances

Paid Vacation, Holidays, and Sick Time Off
