Job Position: Junior Mine Geologist
Employer: Empire State Mines, a Titan Mining Corporation Company
Posted Date: SEPT 2025

Empire State Mines is currently seeking a professional to fill the role of **Junior Mine Geologist** at its underground Zinc operation. Located within 2-hour drive of The Thousand Islands, Lake Ontario shoreline, the Adirondack Mountains and world class skiing at Lake Placid. Explore Canada with Montreal and Ottawa only 2-3 hours away.

Responsibilities:

The Junior Mine Geologist will have the following duties and responsibilities:

- Work both underground and surface as needed;
- Demonstrate a strong commitment to working safely, protecting the environment, and maintaining operational excellence;
- Perform geologic activities essential to production, development, and/or exploration programs in support of the mine, including geologic mapping, daily drill rig visits, geologic computer modeling;
- Work collaboratively with mine operations and engineering to achieve their objectives and to ensure safe and efficient mine operations;
- Compile raw data into reports for review by senior management and/or regulatory agencies;
- Collect, compile, and analyze production, development, and exploration data and results;
- Collect geochemical samples according to defined best practices, including collection and recording of field observations;
- Perform data entry and database management functions as necessary;
- Perform field sample preparation and shipping, as instructed;
- Analyze and interpret geochemical data resulting in reporting;
- Construct maps, diagrams and sections;
- Communication with other departments as required;
- Other reasonable duties requested by the Company.

Qualifications:

- BS/BA degree in Geology;
- Basic understanding and experience with 3D modeling and mine planning software. Experience with Deswik preferred;
- Proficiency in Microsoft Office Suite;
- Ability to communicate effectively at all levels of the organization in both written and verbal means;
- Ability to work in the US;
- Ability to obtain blaster certification in the state of New York if required.

Salary Range: Contingent on experience and skills, \$60,000-\$65,000 annual base pay.

EMPIRE STATE MINES offers:

401K Retirement Plan including additional employer contribution of **5% of gross wages weekly**.
Excellus Medical plan with low employee contribution, **FREE** Vision, Dental, and Life Insurances
Paid Lunch, Vacation, Holidays, and Sick Time Off
