

## **Titan Mining Announces NYSE American Listing Plans and New Executive Appointments**

*Appoints President Rita Adiani as CEO in latest move towards becoming US's first fully integrated natural flake graphite producer in 70 years*

**Gouverneur, NY, September 8, 2025** – Titan Mining Corporation (**TSX:TI, OTCQB: TIMCF**), (“Titan” or the “Company”) which produces zinc concentrate at its 100%-owned Empire State Mine and is also an emerging natural flake graphite producer, today announced plans to pursue a listing on the NYSE American as part of its U.S. growth strategy. Additionally, the Company has promoted Rita Adiani to Chief Executive Officer, effective immediately. Ms. Adiani will also continue in her role as President and joins the Board of Directors. She succeeds Don Taylor, who will transition to Vice Chair of the Board, ensuring continuity and providing technical oversight. Titan also appointed Jenny Hood as Vice President, Commercial and Sales, and Irina Kuznetsova as Director, Investor Relations.

Ms. Adiani has been President of Titan since October 2024 and brings more than 19 years of international mining industry experience spanning operations, development projects, investment banking, private equity and law. She has held senior leadership roles across listed companies and private ventures and has been instrumental in raising over US\$10 billion in public equity and M&A transactions worldwide. As CEO, she will spearhead efforts to expand U.S. production of critical minerals in New York and advance Titan’s goal of becoming America’s first fully integrated natural flake graphite producer in more than 70 years.

Ms. Hood, the former Chief Supply Chain Officer at Compass Minerals, brings two decades of experience in commercial strategy and supply chain leadership. She has significant experience in carbon products and the government contracting process. Ms. Hood will lead Titan's graphite business development, focusing on customer acquisition and sales partnerships for Titan’s Kilbourne graphite project across battery, industrial, and defense markets. Ms. Kuznetsova, an MBA and CFA charterholder, joins with a proven record in investor relations at companies including Lundin Mining and Neo Performance Materials.

*“Pursuing a U.S. listing alongside the leadership changes marks an important step in Titan’s evolution,” said Richard Warke, Executive Chairman of Titan. “On behalf of the Board, I am thrilled to announce Rita’s promotion to CEO and welcome her to Titan’s Board of Directors, a strategic leadership transition that positions Titan to accelerate value creation across our dual-commodity platform. The addition of Jenny and Irina further strengthens our management team with proven commercial and investor relations expertise. Don Taylor’s transition to Vice Chair ensures continuity of technical excellence at Titan. I am thankful to Don for his time with Titan as CEO and contributing to the growth strategy.”*

*“I am honored to lead Titan at this inflection point. With strong zinc operations, a transformative graphite project, and growing government support for domestic mining, we are positioned to deliver value to shareholders and contribute to America’s critical minerals independence,” said Rita Adiani, President and Chief Executive Officer. “The addition of Jenny and Irina, combined with our planned NYSE American listing, gives us the team and platform to seize this opportunity and establish ourselves as the United States’ pre-eminent critical minerals platform.”*

### ***About Titan Mining Corporation***

Titan is an Augusta Group company which produces zinc concentrate at its 100%-owned Empire State Mine located in New York state. Titan is also an emerging natural flake graphite producer and targeting to be the USA's first end to end producer of natural flake graphite in 70 years. Titan's goal is to deliver shareholder value through operational excellence, development and exploration. We have a strong commitment towards developing critical minerals assets which enhance the security of the domestic supply chain.
