

Job Position: Mine Engineer

Location: Empire State Mine, 408 Sylvia Lake Road, Gouverneur, NY

Employer: St. Lawrence Zinc Company, a Titan Mining Corp. company.

Posted Date:

Titan Mining Corporation is reopening the Empire State Zinc Mine (formerly the Balmat Mine) in upstate New York near the town of Gouverneur. The necessary financing has been completed and the refurbishment of the mine and plant infrastructure in preparation for the start-up of the operation is underway. We are currently assembling our key operations team and are seeking an experienced, well-credentialed professional to fill the role of Mine Engineer. This position is based at the Empire State Mines site located approximately 10 miles from the town of Gouverneur, New York.

Responsibilities:

- Execution of tasks related to various fields of mine design & layout, long term & short term planning, geotechnical, special projects and an emphasis on mine ventilation design & monitoring;
- Develop and update mine plans to keep operations on budget targets and within the long range plan. Track progress of mine designs, ventilation and ground support ensuring accuracy;
- Provide technical support for all aspects of Mine Operations including u/g monitoring for ventilation and geotechnical purposes;
- Ensure all reporting is accurately submitted in a timely manner and complies with all state and federal regulations ;
- Communicate effectively with direct supervisor, Geology and Production departments;

Qualifications:

- BS/BA degree in Mining; and ability to work in the US;
- 3-5 years of post-graduate experience in underground mine engineering, preferably in narrow-vein mines;
- Valuable theoretical and practical experience in ventilation and ground control is essential;
- Experience with 3D modeling and mine planning software; proficiency in use of VentSim 3-D Mine Ventilation, Vulcan, AutoCAD, and PROMINE is an advantage;
- Skill in written and verbal communication (in English), critical thinking, data analysis;

Interested parties should submit their cover letter and resume to:
